Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

TERMS.

Single subscriptions, $2.00 a year. United States bills preferred.
Single copies, 20 cents.

Subscriptions and communications should be addressed to "JAMES MILLER, 522 Broadway."

TO OUR SUBSCRIBERS AND FRIENDS.

We should count it a favor if all those who intend to subscribe for the "New Path" for the coming year, would send us their names before the end of the present, so that we may be able to form some notion of our ability to continue the publication of the Journal.
